

There are several advantages from joining Neighbourhood Watch. Membership is free and you are not obligated to attend any meetings.

WHEN YOU ARE A MEMBER OF NEIGHBOURHOOD WATCH:

- You will receive information about Crime Prevention targeting the crimes currently happening in Colchester;
- Should a crime occur in your community or nearby, you would learn about this and if you think that you are at risk, be able to take further precautions;
- Your insurance company may take into consideration that you are in a Neighbourhood Watch Scheme and offer a discount on Home Contents Insurance;
- You will receive a NhW sticker to place in a window or door. This indicates that you are a member of the scheme. Window Stickers are a disincentive to burglars or thieves who might operate in your community;
- You will know how to contact the Police to report a crime or suspicious behaviour, or to do this anonymously through CRIMESTOPPERS;
- You will be able to purchase products that prevent crime and bring increased security and peace of mind at discounted prices. Profit returns to the scheme.

Dear Neighbour

Neighbourhood Watch is a very successful anti-social behaviour and crime prevention initiative. It is an organisation run by members of the community, for the community, to ensure the well being for its members.
